Twelve times have the voters of Van Buren County been called upon to express themselves upon the liquor question, and never have they voted in favor of the traffic. The first time was in 1853 and the twelfth time was in 1916, when the present state-wide prohibition law was adopted. This is an unique record. No other county in the state can compare with it.

For twenty-nine years saloons have been outlawed in our county by the votes of men only. And now we are asked by the "wets" to go back to the era of the open saloon, to revise the verdict rendered in 1916, outlawing the traffic throughout the state and to return to the era of the open saloon. Under the provisions of the proposed amendment there are no restrictions imposed upon the number of saloons or the location where they may be established. The gist of the proposed amendment is as follows:—It shall be FOREVER lawful in this state to import, transport, manufacture, use, buy, sell, keep for sale, give away, barter or furnish every kind of cider, wines, beer, ale, and porter." In view of the recent experience, as well as past, that our state has had in connection with the deliberate and desperate efforts made to evade and violate the present law, surely no one can be so innocent and confiding as to think for a moment that should the proposed amendment prevail, there would be nothing stronger than the beverages mentioned to be obtained either openly or "on the side."

Ladies, come to the polls and assist the men of our county and state in burying this pernicious amendment beyond resurrection. The result may depend on your votes. Don't fail to be registered, to-morrow (Saturday) is the last registration day, and be sure to mark a cross in the square indicated by the word "NO".

O. W. Rowland.

**AGENTS WANTED** TO THE MEN INTERESTED IN ASSOCIATING THEMSELVES WITH A COMPANY WHICH OFFERS THE THREE GREATEST REQUISITES NECESSARY TO A SUCCESSFUL CAREER, WE DIRECT THIS VITAL MESSAGE—

There are three indispensable requisites necessary to your success, and these have nothing to do with the functions which you, yourself, must perform: THE RIGHT PRINCIPLE AND SOUND FOUNDATION—ESPECIAL ADVANTAGES and LOYAL CO-OPERATION.

A company which has these three attributes to offer you, and, at the same time, COMPENSATION full commensurate with your services—has extended the best conditions to be given by any company.

These are precisely the considerations offered you NOW by our Company, and we are in hopes you will take advantage of this opportunity to investigate our proposition. Surely, it costs you nothing to investigate—and there are many sound reasons why you should do so.

If you are a "live wire"—or, even a consistent worker—a successful future is now presented to you.

This is a Mutual Company.

Our Company operates in the State of Michigan, and has the most equitable proposition for the ASSURED.

We write most lines of AUTOMOBILE Insurance—such as Property Damage, Theft, Fire, and Public Liability.

Our rates are much less than Stock Company premiums.

There are no companies which can give sounder protection—and for this, and the foregoing reasons—our proposition is the fairest both to the AGENTS and to the Assured.

Write AT ONCE, OR COME AND SEE US. Don't let this opportunity get away from you. Whatever you do, DO IT NOW. Let us hear from you at once.

Very truly yours,
